Message from the Principal

The Leewood K-8 Center family welcomes you and your children to an exciting and productive year. We encourage your interest and participation. We are convinced that in order for children to have a successful education there must be a positive and strong partnership between home, school, and community.

We are concerned about the development and happiness of your children. Included in this booklet are established guidelines to be followed by you and your children. To ensure OUR SUCCESS it will be important that all of us adhere to these policies. They, in fact, remain as large a part of learning as does the classroom. Please familiarize yourself and your children with these policies and keep the handbook as a reference.

We urge you to keep in touch with our staff, to ask questions and make suggestions. Working cooperatively, we hope to provide every student with the opportunity to develop his/her potential to the fullest. We look forward to working with your children during the 2023-2024 school year.

Sincerely,

Eduardo Bovo

- Early Sign Out***

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the principal or principal's designee (i.e., emergency, sickness).

- Late Arrival***

Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardiness may result in loss of privileges, detention, parent conference, and/or suspension.

- Lost and Found School Policy***

Money and articles found on the school grounds should be brought to the office where lost and found articles are kept. Children need to be taught to take care of their own belongings. Money and valuables should not be left on top of desks. When possible, label your child's jacket, sweaters, etc. with his/her name. Watches and rings should not be removed when washing hands or playing games. When children lose articles, they should report the loss immediately to the office to see if the articles have been found. Lost articles may be picked up in the school office when properly identified. Parents and students should check it frequently. It is good policy for children to refrain from bringing valuable property to school.

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 240 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 54 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 294 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$60 per week or \$55 per week discounted rates for sibling or free/reduced lunch discounts; the cost of Middle School Enrichment after school care is \$60 per week and \$55 per week discounted rates for sibling or free/reduced lunch discounts; the cost of before school care is \$30 per week and the cost of Summer Camp is \$125.00 per week or \$115 per week discounted rates for sibling or free/reduced lunch discounts. These programs are offered by one of five providers:

- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to utilize technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets,

Mac laptops, Android tablets, and iPads. More information about the BYOD program as well as minimum device specifications for those that are considering purchasing a device can be found at <https://digital.dadeschools.net>

Bullying Prevention

Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the [Bullying and Harassment Reporting Form](#). If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:00 p.m., Monday through Friday. Students and parents may also report bullying through our Districts anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services [website](#).

Cell Phones

Possession of a cellular telephone is not a violation of the Code of Student Conduct (COSC). However, the possession of a cellular telephone which disrupts the educational process; the use of the cellular telephone during school hours; and the possession or use of a cellular telephone which disrupts or interferes with the safety-to-life issue for students being transported on a M-DCPS school bus, would be a violation of the COSC. Theft and/or vandalism of personal electronic devices are not the responsibility of the school. New state law provides that teachers have the authority, through their established classroom rules of conduct, to designate an area for students to place their cell phones and other wireless communication devices during instructional time.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's

off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadeschoolgbtols.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call the Office of Community Education, at 305-817-0014.

Comprehensive Student Services Program

The Division of Student Services implements the Comprehensive Student Services Program, serving students from Pre-K to Adult. Through collaborative efforts with community agencies, students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact Martha Z. Harris, Administrative Director, Division of Student Services, at 305-816-0436.

Conferences

PARENT-TEACHER CONFERENCES are an important part of the school program. Knowing your child's teacher gives them an opportunity to know you. Give your child the security of feeling the cooperative spirit, which exists in a friendly parent-teacher relationship. Arrange for a conference time with the teacher that is mutually convenient. Please do not confer with the teachers at *arrival time* when they are responsible for the beginning of the day with the students or in the hallways when teachers are supervising student movement. Unless there is an emergency, teachers should not be disturbed about school matters at home. Teachers will return calls before and after classes, but not during instructional time. Your child's teacher is your ally, not your enemy!

Discrimination/Harassment

The School Board has a prohibition against discrimination and harassment based on age, sex, race, color, ethnic or national origin, religion, marital status, disability, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. The Board shall maintain an educational and work environment free from all forms of discrimination and harassment, which includes Title IX of which prohibits all forms of sex discrimination and unwelcomes sexual conduct. Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their principal or the Office of Civil Rights Compliance (CRC) so

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

that the conduct can be addressed before it becomes severe, pervasive, and persistent. For more information, please contact CRC at (305) 995-1580 or visit <http://hrdadeschools.net/civilrights>. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the principal promptly.

services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school and/or the Office of Educational Services and ESE at ESE@dadeschools.net. Staff from the Office of Educational Services and ESE and/or your child's school site administrative team will help to answer your questions. Additional information may also be found at <http://ese.dadeschools.net/>.

Fieldtrips

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance.

Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in [Homework Policy 2330](#). Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Leewood K-8 Center Homework Policy

There had been much local and national discussion regarding the effectiveness and appropriateness of homework. The Educational Excellence School Advisory Council (**EESAC**) Committee of Leewood K-8 Center, comprised of administrators, teachers, parents and community partners, discussed the current homework policy as requested by the district.

We believe that successful homework assignments engage students in purposeful, relevant learning that meets their academic needs. Homework learning activities help students understand concepts, develop thinking skills, and focus on applying their new knowledge. Regular homework also provides your child with opportunities for developmental practice, drill, the application of skills already learned, the development of independent study skills, enrichment activities, and self-discipline. The recommended minutes include assignments for all subject areas and teachers collectively per school day:

<u>Grade Level</u>	<u>Total Daily Time</u>
• KG – First	30 minutes written + minimum of 30 minutes reading.
• Second – Third	45 minutes written + minimum of 30 minutes reading.
• Fourth – Fifth	60 minutes written + minimum of 30 minutes reading.
• Sixth – Eighth	75 minutes written + minimum of 30 minutes reading.

The revised policy also includes the following points:

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- All student projects will have a rubric communicating the expectations of quality for the project. A scoring rubric will be used to promote consistency and delineate the criteria for grading as well as the performance expectations for the designed assignment.
- Homework assignments given to students will be directly related to the current classroom instruction and activities.
- Homework assignments given to students will be clearly understood and achievable independently by the student.
- Homework assignments will be reviewed by the teacher or discussed in class.
- Consideration will be given to the impact of homework on family time and for differences in the time required to complete homework assignments by students of varying capabilities.
- Teachers in the said grade levels will discuss homework assignments to ensure that a said grade level does not receive excessive homework assignments at the same time.
- Homework will look different at the various grade levels and will look different throughout the year, depending on the classroom curriculum and student needs.
 - Individual classroom teachers will explain in more detail at Open House what homework will look like in your child's classroom. **Open House, August 30, 2023 (tentative).**
 - Reading for pleasure on a nightly basis should be strongly encouraged.
 - Parents and students will review and initial the 2022-2023 Homework Contract for Leewood K-8 Center and return page 2 to their homeroom teacher by the end of the first week of Schoolhouse Learning.

We are confident this revised policy will make homework assignments more meaningful and purposeful and support the district's goal of engaging our students in quality learning.

STUDENT RESPONSIBILITIES

- Use the assignment notebook and/or student planner to keep a record of all assignments, tests, and other responsibilities. Collect the necessary materials (books, worksheets, etc.) needed to complete the assignments.
- Ask questions and seek help from teachers if confused about the assignment or any part of the work.
- Be responsible for completing and returning all assignments on time to the teacher. This includes making up homework when absent. Follow all expected standards of quality concerning heading, neatness, content and directions.
- Budget time wisely and share assignments, especially on long-range assignments with parents/guardians.

PARENT RESPONSIBILITIES

- Contact teacher early if the student begins to develop a pattern of late or incomplete work.
- Contact the teacher to clear up any misunderstandings, troubleshoot problems and be better informed about the students' learning progress.
- Ask teacher about parent workshops and/or online tutorials available to help them understand the skill being taught to better assist their child with home-learning assignments.
- Assist children in setting up a regularly scheduled homework time at a reasonable hour each day. See that he/she meets that daily commitment. Allow sufficient time for homework even though children may also be involved in family and community activities (sports, scouts, dance, arts, etc.)
- Check the assignment notebook daily and encourage completion of all homework. Please remember that the homework is the child's responsibility. Parents should not do the work for the child(ren) but should encourage accountability and monitor student efforts to show support. This applies to daily and long-range assignments and projects.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- Encourage children to have an organized approach to homework by providing all needed materials.

TEACHER RESPONSIBILITIES

- Be sure all assignments are created with a clear purpose and students can complete them independently.
- Coordinate assignments and tests with other teachers to avoid student overload.
- Inform parents/guardians in writing regarding teacher expectations and student responsibilities at the beginning of the school year.
- Modify assignments to meet student needs, as necessary.
- Prepare students to do the assignments (explain tasks and directions, teach study skills, etc.)
- Given meaningful homework and provide students with prompt feedback on their assignments.
- Consider participation in school-wide events, religious holidays, etc. in giving assignments.
- Inform parents/guardians of long-term assignments and expected timelines for completion.
- Teach and encourage students to use an assignment notebook or student planner and check it regularly to ensure effective use of this tool.
- Set up a system for addressing late or incomplete assignments and communicate it clearly in written form to students and parents/guardians at the beginning of the school year.

GRADING OF HOMEWORK ASSIGNMENTS

In the primary grades (K – 2) daily homework assignments are not formally graded and reflected in report card grades. Concerns will be reflected under the Effort sections on the report cards.

In the intermediate and middle grades (3 – 8) daily and long-range homework assignments will be graded at the discretion of the teacher. Students will be informed when assignments are to be graded and factored into their report card grades for content areas. Teachers will inform students and parents of their systems for grading homework and penalties for late or missing homework assignments and projects.

REQUESTING HOMEWORK ASSIGNMENTS WHEN STUDENTS ARE ABSENT

Students are occasionally absent from school due to personal illness, medical appointments, family emergencies, a death in the family, religious observance, etc.

If the parent/guardian believes the child can do work during the absence, the assignments must be requested by 9:00 AM. Parents/guardians are asked to indicate if the work is to be sent home with another child (suggest name) or picked up in the office at dismissal time. Teachers will do their best to compile all assignments before the end of the school day. In the event, that time does not permit, parents must allow 24 hours for teachers to compile such assignments.

Miami Dade County Public Schools discourages the practice of families taking children out of school for an extended time for vacations or recreational trips. Since homework is both an extension and a reinforcement of class work, it is not as effective when done as an isolated exercise. Teachers also find it difficult to accurately project exactly what will be taught during a child's extended

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

absence. It is difficult to predict how concepts will be grasped and content understood by the group in advance of the actual lessons.

Thus, formal homework assignments will not be prepared in advance for extended absences. General suggestions for reinforcing reading, math, spelling and writing skills may be made in lieu of specific homework tasks. The specific assignments will be gathered during the period of absence and provided to the child upon his/her return to school. The child will be given a reasonable period to complete the assignments.

COMMUNICATION

For students to be able to achieve the intended goals of homework assignments, communication between students, parents and teachers is essential. The following procedures are suggested:

- At the beginning of the school year the Homework Guidelines for Leewood K-8 Center will be distributed to all parents. Parents and teachers will be asked to review the guidelines and expectations with students.
- Open House will provide parents an additional opportunity for presentation, review and clarification of the Homework Guidelines between teachers and parents.
- At the beginning of the school year, individual teachers will inform parents in writing of all homework expectations and procedures at the grade level and in their classrooms.
- Parents are urged to contact their child's teacher when there are concerns about homework.
- In grades in which they are used, student assignment notebooks or student planners are useful tools for parents and teachers to communicate in writing as needed.
- Parent signatures on homework, tests or other student work may be required to facilitate communication between home and school. Parent cooperation is necessary with this requirement.

services to further support the emotional and mental well-being of students. The programs in place provide prevention initiatives, intervention services for students and family support for students who may be experiencing a mental health challenge. Students in need of intensive services can receive support from contracted agencies at no cost to families. School principals shall make a reasonable attempt to notify a parent of a student before the student is removed from school, school transportation, or a school-sponsored activity to be taken to a receiving facility for an involuntary examination and school or law enforcement personnel must make a reasonable attempt to contact a mental health professional prior to initiating an involuntary examination, except where there is an imminent danger to the student or others.

Morning Arrival

All students will enter through the main entrance on 124th street. Students in grades Pre-Kindergarten through first grade will be allowed to enter the building at 7:30 a.m. and will be escorted by safety patrols to the Leopards Den, and students will be supervised by an MDCPS employee. Pre-Kindergarten through first grade homeroom teachers will pick up students and escort them to their designated classrooms. Bus riders and students in grades 2-8 need to report directly to the basketball hardcourt and not enter the building. Parents need to drop off their child/children at carpool and students will walk themselves out to the basketball hardcourt. This process will enable a safer and smoother drop off procedure. Tardy students will check in at the main office to receive a tardy pass.

Parking and Traffic at School

The School Parking Lot is for Staff Use Only. The parking lot is not to be used as an area to load or unload students.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

There are pedestrian crosswalks located near the school. Children who are crossing the street will be required to cross at these walkways. **Please do not ask your child to cross the street to meet your car except at the established safety points. This is unsafe and directly endangers your child. Some parents have been ticketed for this action.**

Double or triple parking and parking in bus and/or loading zones is not only a serious safety hazard, but it is also a violation of the traffic code and may lead to a traffic citation. **Yellow curbing identifies the bus zone. Please do not park there during hours posted on signs.**

Please obey all requests made by staff members who work to keep all out children free from harm. Thanks to our staff, we are able to provide supervised drop-off and pick-up zones for students. Students may only be picked up and dropped off according to our school rules. Drive-line tags in cars are required for pick-up in these zones. Please review our traffic-safety plan with all adults who may pick up or drop off your child.

Crossing guards will assist at the corner of 103rd Avenue and 124th Street and staff members at the drop-off areas in front of main entrance (124th St). Do not park or leave cars unattended on 103rd Ave or 124th Street. This causes traffic hazards and severely impedes the flow of traffic.

Prekindergarten Programs

M-DCPS offers a variety of prekindergarten programs throughout the District. Parents should contact their home school for the available options for Pre-K students. For additional information on VPK or Head Start/Early Head Start Programs, parents may contact the Department of Early Childhood Programs at 305-995-7632. MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Public-Private Collaboration

Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the principal for application of District procedures.

Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

Safety and Security

- **Emergency Drills**

Six emergency drills, to include active shooter, hostage situations, bomb threats, and other potential emergencies will take place during the school year in accordance with Florida Administrative Code 6A-1.0018(15). All occupants of building where an emergency drill is held are required to participate. The first emergency drill must take place within the first 10 days of the opening of schools, whereas all remaining drills must occur at least every 45 days that school is in session. All emergency drills shall be conducted in accordance with the appropriate

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been provided the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert [Flyer](#))
FortifyFL (flyer in Appendix D)

- ***Fire Drills (Evacuation Drills)***

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Lockdown Procedures***

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

School Center for Special Instructions (SCSI)

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

class result in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

School Class Picture Process

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

• School Club List

Leewood K-8 Center offers a variety of clubs for both elementary and middle school students such as: Safety Patrols, Art club, Glee club, Spanish club, Science club, Coding club, Recycling club, and Drama club.

School Transportation

Miami-Dade County Public Schools will transport approximately 35,000 students a day this school year, using a fleet of 999 buses on 800 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
